

APMP Mobile App Instructions

For the best event experience, we recommend logging in via desktop for full access to all event features. The mobile app serves as a companion tool to enhance your conference experience.

1. Download the Mobile App – Available on IOS and Android

APMP

APMP
Business

- a. Or scan the QR code below to download the app.

2. On the App Home Screen, you can:

- a. **Sessions:** Bookmark your personalized itinerary.
- b. **Speakers:** Discover our fantastic speakers.
- c. **Sponsors:** Say hello to our generous sponsors.
- d. **Event Evaluations:** Help us improve by completing the survey.
- e. **Connect:** Network with fellow professionals.
- f. **Event Alerts:** Stay updated with important announcements.
- g. **Game Zone:** Play the event game and win prizes!

3. Accessing Live Sessions on Mobile

- a. **Find the Event:** Navigate to the event's access page.
- b. **Find the Session:** Navigate to the session starting soon in the app.
- c. **Join the Session:** When the session is live, you'll see a **Join** button that opens Zoom on your phone's browser.

4. Session Features on Mobile:

- a. **Q/A:** Submit your questions.
- b. **Session Evaluation:** Fill out the feedback form to help us improve.
- c. **Polls:** Participate in any live polls.

APMP APP - Desktop Instructions

For the best event experience, we recommend logging in via desktop for full access to all event features. The mobile app serves as a companion tool to enhance your conference experience.

1. Navigate to the Landing Page

- a. **Click Here:** <https://apmp.web.mosaic-apps.com/home/event>
- b. **Login** with your APMP credentials.

2. Landing Page

After logging in, you'll be taken to the main page. Select the event name and make sure it says "**You are Registered!**" when entering the event.

3. Event Details

Click on any event to see the details, including these helpful tabs:

- a. **All Sessions:** View session titles, descriptions, and times.
- b. **My Sessions:** Check your scheduled sessions.
- c. **Speakers:** Learn about the speakers, their titles, and companies. You can search by name.
- d. **Connect:** Network with other attendees by sending connection requests.
- e. **Sponsors:** Explore details about our amazing sponsors.
- f. **Handouts:** Download materials from speakers and exhibitors.
- g. **Event Evaluation:** Fill out the survey to share your thoughts (only once).
- h. **Certification:** All registrants will be granted CEUs/CPDs following the event. These will be added automatically to your account within a week of the event. You can download your certificate under the Certification tab.

4. Accessing a Live Session

- a. **Find a Live Session:** Look for the session starting soon and click on it. The session will begin once the countdown ends.
- b. **Session Features:**
 - i. **Session Forums:** Chat with attendees and the speaker.
 - ii. **Q/A:** Submit your questions (we encourage submitting them before the session starts).
 - iii. **Session Evaluation:** Fill out the feedback form to help us improve.
 - iv. **Participants:** Connect with like-minded individuals.
 - v. **Polls:** Participate in interactive polls if the speaker has any.

5. Event Forums

- a. **Access Forums:** Click the Forum icon to join the discussions.
